

URBAN CIRCLE TRAINING CENTRE INC.

APPRENTICESHIP PROGRAM

Updated March 17, 2021

Urban Circle Training Centre Inc. offers a 1-year Apprenticeship Program through Seven Oaks School Division. Urban Circle Training Centre Inc. will help students with obtaining their Class 5 Drivers license, supplying school supplies, reimburse for work boots/gear while in the program.

Urban Circle Training Centre Inc. also offers Life Skills through out the program, Mental Health training, students will receive all certificates applicable to their trade of choice and there is also a 14-week unpaid work practicum in the field of their trade.

The Apprenticeship Program includes: **HVAC (air-conditioning/refrigeration), building trades (various aspects of building and construction), sustainable energy (wind power/solar power), Automotive Industries, Aviation Technologies, Electrical Trades (Must be under 21 Years of age for Electrical Trades), Theatre Production, and Culinary Arts.** Start dates for classes begin August and end the following June.

All students **who qualify for the Apprenticeship Program** will have an opportunity to apply to Urban Circle Training Centre Inc. for additional funding support upon completion of the program.
